MANY CANDIDATES

Are Out for the Offices in the Gift of the Caucus of

THE REPUBLICAN COUNCILMEN

To be Elected at the ensuing Election. Democrats Have so Little Hope of Success at the Polls That They Have Thought Not at All About the Offices. Henry Schmulbach Comes out for Board of Public Works—Clerk of First Branch.

As the time for the biennial city election approaches—it occurs on January 23—the number of aspirants for the nominations in the gift of the Republican councilmanic caucus continues to increase. Yesterday the name of Colonel Henry Schmulbach for board of public works was announced. He served on the board that retired two years ago. The only thing that is settled relative to the action of the Republican caucus on board of public works is the nomination of a member of the present board, Mr. Frank E. McCoy, as the Democratic member. For the two places to be filled by the Republicans in the event that council is Republican, there are several candidates and the contest will no doubt be very warm.

For clerk of the first branch of council there are more aspirants than for any other office in the gift of council. The list is led off with Thomas O'Brien, Jr., the present clerk, who is filling the unexpired term caused by the resignation of Circuit Clerk Charles Henning. The unusually large number of young gentlemen who want to succeed Mr. O'Brien may be explained by the fact that the clerk elected two years ago was started in such a successful career in politics.

The following is nearly a complete list of aspirants for various offices, and includes all the names that could be learned last night:

Assessor, north of the creek—Thomas M. Jones, Samuel Graves.
Assessor, south of the creek—Will Bowers, A. J. Schultze.
City collector—J. K. Hall, E. P. Wheat.
Clerk of the Second ward market—L. J. Davis.
Clerk of the Fifth ward market—John McKeever, John Simmons, William Brumello, Samuel Cole, William Morrison.
City sexton—Charles Dean, Charles Helser.
City solicitor—S. O. Boyce, F. C. Holmes, F. W. Nesbitt, B. S. Allison, W. H. Hearne.
City weigher—F. G. Rempel.
Health officer—S. L. Jepson, W. C. Etzler.
Keeper of the city lockup—William Brandt, Alfred Campbell.
Board of public works—C. D. Thompson, C. E. VanKeuren, Albert Schenk, Henry Schmulbach, Henry Morris, Frank E. McCoy.

Water board—Henry F. Jones, W. E. Stathers, Henry Kern, William Lewis, Dr. C. F. Ulrich, E. R. Metzner, John H. Hall.

Superintendent city prison—David Lewis, William McGannon, Joseph Barum, Frank Lethenburgh, C. S. Greer.

City receiver—Edward Elliott, H. P. Wilkinson, S. L. Brice, Fred Smith, Alex. Forgy.

Clerk first branch of council—Thomas O'Brien, Jr., Walter Cunningham, W. E. W. McCulley, Alfred Davis, Harry Simpson, George Wagner, John D. Hall, J. D. Maxwell, Henry Rompke.

Watchman Seriously Burned.

August Belleville, night watchman at the LaBelle iron works, was badly burned about the face and head early yesterday morning. He went into one of the buildings to warm himself, and poked up the fire in a stove, that the boys who worked there in the day, had filled with slack. The flames flew out of the stove, burning his face and singeing his eyebrows and the hair of his head. It was about 2 o'clock in the morning when he awakened Harry C. Stewart, the South Side druggist. Mr. Stewart gave him the necessary liniments to ease his pain.

THE NEW WAY.

A GREAT SUCCESS FOR FITTING ALL KINDS OF EYES WITH GLASSES.

Our new scientific method of examining the eyes and fitting glasses without putting drugs in the eyes and making the patient blind for a week, or having them sit for hours looking at charts and trying to fit themselves until they become so bewildered they cannot tell what they can see. We fit the eye for examination without depending on the patient and know when they are fitted correctly.

Consultation and examination free.
